I strongly recommend A Gem of a Jam!. I love just about every one of the shorts that they have made I love all six of the Stooges (Curly, Shemp, Moe, Larry, Joe, and Curly Joe)! All of the shorts are hilarious and also star many other great actors and actresses which a lot of them was in many of the shorts! In My opinion The Three Stooges is some of the greatest actors ever and is the all time funniest comedy team! Dudley Dickerson, Al Hill, Fred Kelsey, Al Thompson, and John Tyrrell are in this Three Stooges classic! I think this is arguably one of the best Three Stooges shorts.
